

45 Years of Empowerment

ANNUAL REPORT 2020-2021

The Domestic Violence Center of Chester County
Freedom Through Empowerment

1-888-711-6270 | www.dvcccpa.org | PO Box 832, West Chester, PA

A NOTE FROM OUR LEADERSHIP

In 1976, a small number of conscientious, tireless volunteers from the West Chester YWCA responded to a deep outrage expressed by victim survivors of domestic violence. These individuals sought to create services that would provide relief to victim survivors of the abuse which had been inflicted on them. For the past 45 years the Domestic Violence Center (DVCCC) has provided resources to survivors to encourage their empowerment through its services, advocacy, and community education.

Through your generosity and partnership, along with the Board of Directors, staff, and volunteers, we have been able to grow and enhance the organization's programs and services:

- **1980** partnered with the Pennsylvania Coalition Against Domestic Violence, a statewide domestic violence network
- **1983** opened an emergency communal shelter for survivors and their children and began providing counseling services for children and adults
- **1987** housing services were expanded to include a communal long-term housing program
- **1990** implemented a community education/outreach program
- **1997** legal services were provided so survivors had representation in Family Court proceedings
- **1998** housing services were expanded to include community based independent housing
- **2000** outreach centers in the City of Coatesville and Kennett Square Borough were opened to provide access to services
- **2004** constructed thirteen three-bedroom townhomes for survivors and their children
- **2008** an additional outreach center was opened in Oxford to provide access to services
- **2012** the Lethality Assessment Program (LAP), a partnership with the District Attorney's office and law enforcement to connect victims at increased risk of homicide with DVCCC was implemented
- **2017** Coaching Boys Into Men, a partnership with high school athletic programs to promote respectful dating relationship behavior, was implemented
- **2018** independent housing units were increased from thirteen to seventeen
- **2018** an additional outreach center was opened in Jennersville to provide access to services
- **2019** DVCCC's first independent outreach office was opened to serve the Phoenixville community
- **2020 to date** kept our doors open 24/7 for survivors and the community during the ongoing pandemic
- **2021** began pilot for Coaching Girls Beyond the Game, an adaptation of the Coaching Boys Into Men program

In addition to the timeline of program and services expansion, along the way, DVCCC has been the recipient of the following awards and accreditation:

2007 Glaxo Smith Kline Impact Award Recipient

2010 Accredited by the Pennsylvania Association of Nonprofit Organizations (PANO)

2015 The J Dewees Moseller Community Service Award Recipient

2019 Chester County District Attorney's Office Commendation for the Lethality Assessment Program (LAP)

2021 Glaxo Smith Kline Impact Award Recipient

Your support through the years has impacted the growth and sustainability of the organization and on behalf of all the survivors who have been able to benefit from our services, we thank you for your generosity.

45 YEARS OF EMPOWERMENT

A SURVIVOR'S STORY

In 2012, Irma and her two daughters came from Mexico - along with her abuser - on a family visa. Within a few months of arriving in the United States, Irma was abused by her husband who used a pole from their bed to beat her. Her eldest daughter was also hurt in the incident, trying to protect Irma. After he was arrested, he took a new position at a company outside of the United States and filed a legal action against Irma, demanding the return of their two daughters.

Irma sought support from DVCCC's bilingual legal advocates to arrange legal representation in this case. Irma won, and she and her children were able to safely stay here in the United States.

In 2019, Irma met with DVCCC's legal advocates and partner immigration attorney through HIAS Pennsylvania and received representation in applying for a U-Visa for both herself and her children but was deferred until finally, in April 2021, Irma and her daughters were granted U-Visas! Irma shared that she could not stop crying that day, feeling a sense of relief, freedom, and empowerment.

Irma's eldest daughter is now able to attend college as a Pennsylvania resident. Irma has also started on her own educational journey, obtaining her GED with the goal to attend nursing school. She remembers the nurse who helped her when she was abused, and wants to help victims the way she was helped that day.

CELEBRATING OUR HISTORY

HISTORY, VISION, MISSION, & PHILOSOPHY

MISSION

The mission of the Domestic Violence Center of Chester County is to reduce, remedy, and prevent domestic violence in Chester County.

HISTORY

DVCCC began 45 years ago as the YWCA Women's Resource Center (WRC) to serve as an informational and referral source for Chester County women. In response to the great need for services, WRC reorganized in 1976 as the Domestic Violence Center of Chester County, focusing on domestic violence intervention and prevention. DVCCC is the only organization within Chester County that has a contract with the PA Department of Human Services and PCADV to provide services to victims and their dependent children who present their primary victimization as domestic violence - which includes family and/or relationship violence such as intimate partner violence, dating violence, human trafficking, and elderly family and/or intimate partner violence.

VISION

The vision of the Domestic Violence Center of Chester County is to eliminate Domestic Violence in Chester County.

PHILOSOPHY

We believe that all people and children are entitled to a safe environment free from violence. We recognize that every person is at risk, and we are committed to working collectively and cooperatively to end violence against women, men, and children in our community. We believe that each person has the ability and right to control their own life. We are committed to empowerment-based support services which affirm a person's competence to make decisions. We believe we must take an active role in increasing public awareness that domestic violence is a crime and in advocating systems change, in order to reduce tolerance for domestic violence in our community.

SURVIVOR SERVICES

HOUSING, COUNSELING, AND LEGAL

In celebrating 45 years of providing services for victims/survivors of domestic violence in Chester County, we searched the Chester County History Center and found DVCCC data reports from 1978, which inspired this year's report.

1,684 SURVIVORS
RECEIVED SERVICES

In 1978, 333 victims/survivors sought services from DVCCC. Today, we serve over 1,000 Chester County survivors each year!

88 ADULTS
& **82 CHILDREN**
SHELTERED

DVCCC's shelter and housing programs have been a proud staple of our services for 45 years - one we expanded in 1987, 2004, and 2018, and keep in our focus for future innovation.

922 SURVIVORS
RECEIVED SUPPORT NAVIGATING
THE JUSTICE SYSTEM

In 1978, DVCCC served 66 clients with legal needs. We are now proud to provide in-house legal support with three full-time staff attorneys and an experienced team of legal advocates.

COMMUNITY OUTREACH

AWARENESS, EDUCATION, AND PARTNERSHIPS

DVCCC believes that education for our community is the key to preventing domestic violence. Despite COVID restrictions, we still were able to provide

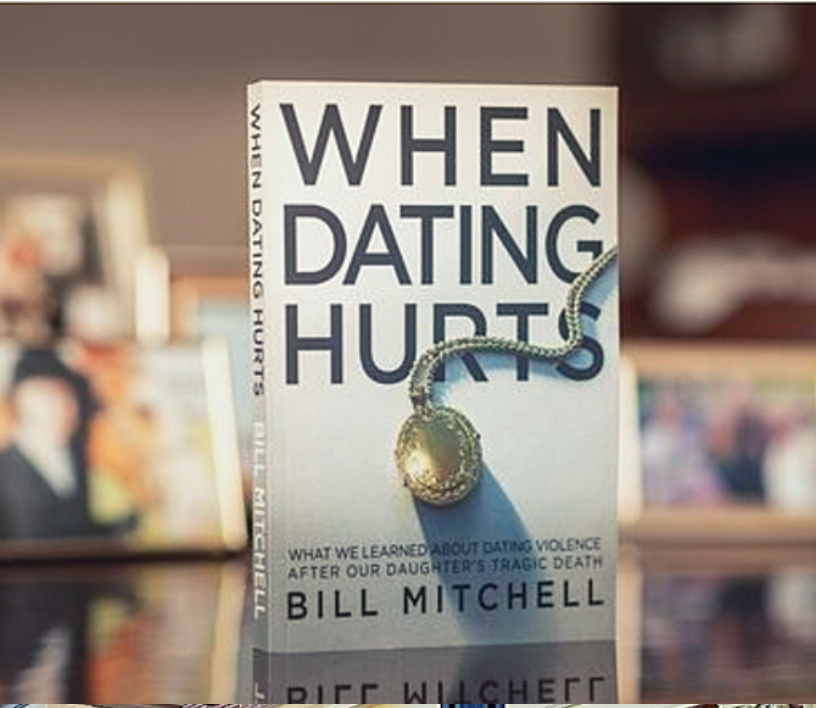

61 PROGRAMS REACHING 1,195

individuals in Chester County, virtually. Notable efforts included a video series in partnership with LCH: Health and Community Services, the For Women By Women awareness & fundraising event in Parkesburg, and leadership in planning and development of the 2020 Virtual Elder Abuse Symposium.

DVCCC also partnered with several organizations to increase outreach for October's Domestic Violence Awareness Month including:

- "Painting the Town Purple" by hanging awareness ribbons in West Chester, Kennett Square, Downingtown, Coatesville, Oxford, Phoenixville, Malvern, and on West Chester and Lincoln University campuses.
- "Painting the Shelter Purple" by providing every dog in the Brandywine Valley SPCA Shelter with a purple bandana.
 - We also developed and provided a webinar in partnership with the SPCA, discussing the intersections of animal abuse and domestic violence.
- Our first Coffee Cup Sleeve awareness campaign - featured at Dia Doce/Cathey's Coffee and Fenn's Coffee in West Chester, and all County Cup locations.
- Sharing a domestic violence awareness book list - with Spring City Library and Henrietta Hankin Branch Library creating colorful awareness book displays.
 - Also hosting a live Q&A with Author and Advocate, Bill Mitchell, on his novel, "When Dating Hurts."

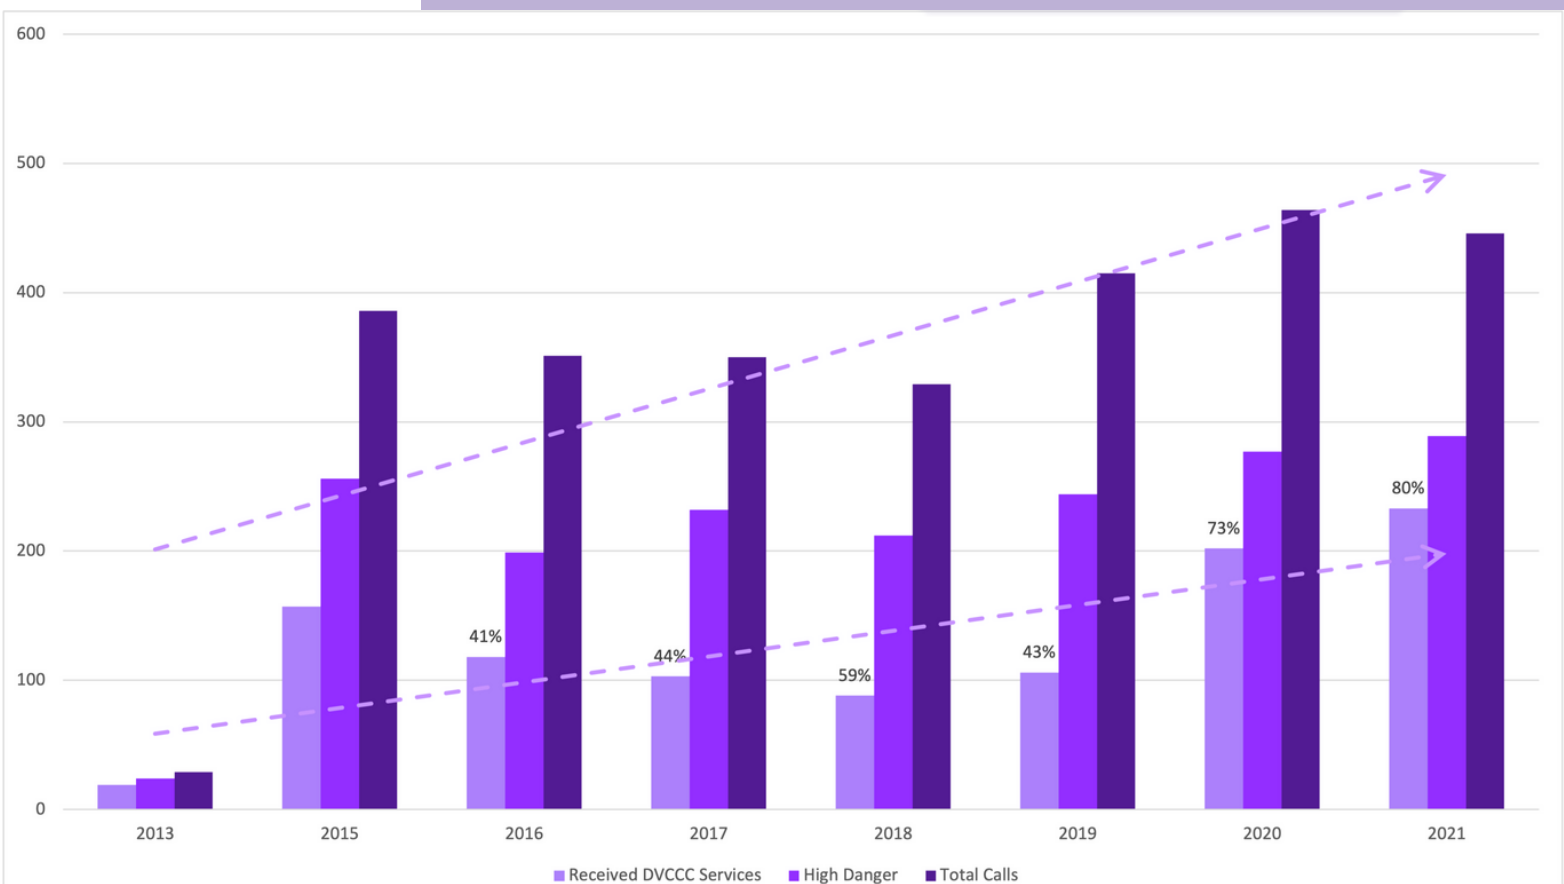

LETHALITY ASSESSMENT PROGRAM

In 2012, DVCCC launched what would become one of our flagship training & prevention initiatives: the LAP program. Through LAP, DVCCC trains local law enforcement to utilize an evidence-based screening tool on the scene of a domestic disturbance to determine the risk for homicide. Victims who screen "high danger" are immediately connected with DVCCC's hotline by the officer. **The number of LAP screens, high-danger calls, and number of victims connecting with DVCCC services (as noted in the table below) has steadily increased since the program's inception.**

80%

OF VICTIMS WHO SCREENED HIGH-DANGER IN 2021 MOVED FORWARD WITH DVCCC SERVICES

YOUTH EDUCATION & OUTREACH

PROGRAMS TO PREVENT ABUSE

In 1999, with teen dating abuse being discussed more in the media and community, DVCCC began in-school educational programming. In 2018, with the addition of Coaching Boys Into Men, teen outreach became a forefront of our violence prevention efforts.

In this increasingly virtual, post-pandemic world, virtual outreach is more vital than ever before. In 2021, DVCCC re-vamped our teen dating resource web page and launched a TikTok channel with great success - gaining almost 11,000 views per video!

46 PROGRAMS FOR 1,052 TEENS PROVIDED VIRTUALLY IN 2021

In 2021, our education department absorbed the DVCCC High School Student Art Contest - receiving 27 entries from 7 different schools and community art organizations! We celebrated the 5th year of this event by hosting an outdoor exhibition in the windows of The Brow Bar in West Chester.

"They provided so many (ways) to get help ... I will always have a way to contact someone about my relationship if I am ever in this kind of situation."

- Anonymous DVCCC High School Student
Survey Response

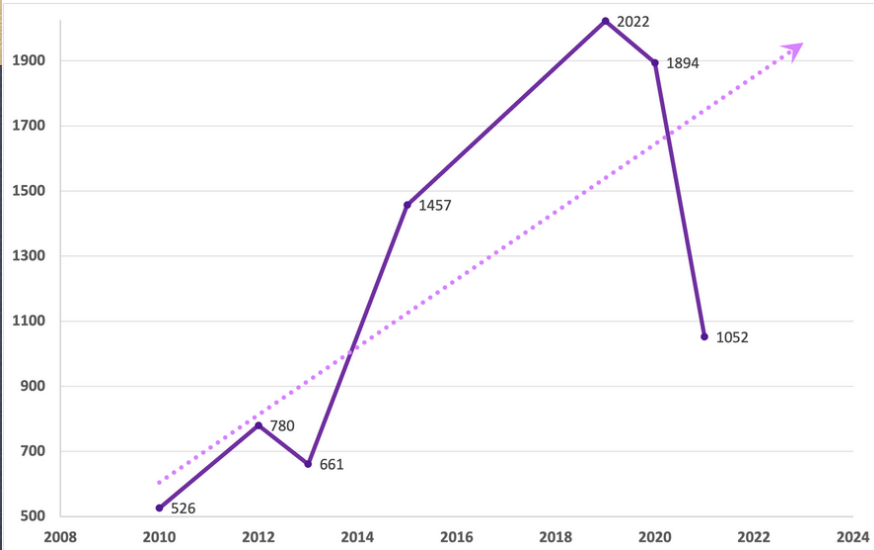

According to LovelsRespect.com, 58% of college students report that they don't know how to help someone who's experiencing dating abuse; however,

OVER 95% OF TEENS SURVEYED

reported feeling confident to help a friend who is experiencing abuse following DVCCC Zoom presentations & engagement with DVCCC's healthy dating resource webpage.

Since we began providing education for teens, our program reach has grown tremendously - and while COVID had a slight impact on the 20-21 school year, growth continues to trend upward.

Victoria Naftal, of Downingtown West High School, was the winner of our 5th Annual High School Student Art Contest with the piece, "We Triumph When We Grow Beyond."

TREE OF HOPE & HEALING

COMMUNITY PARTNERSHIP

In April of 2021, a local domestic violence homicide in Schuylkill Township shocked the greater Phoenixville area, leading many to contact DVCCC asking what could be done. This was the second fatal domestic violence incident in the township in five years, and the community needed healing. Taking quick, responsive action, DVCCC reached out and connected with leaders in the area to plan something to memorialize the victims and bring the community together through this tragedy,

In May of 2021, this planning culminated in the planting ceremony for the Tree of Hope & Healing on the Schuylkill Township municipal grounds. The tree, a flowering Eastern Redbud, was planted to memorialize those we had lost and serve as a symbol of hope for those who may still be facing abuse. The Phoenixville area school district students created dozens of "kindness rocks" to include and the township also placed a bench in the garden.

"May this tree be a symbol of hope and resilience to those living with domestic abuse and a reminder that you are not alone: a gift from DVCCC to the Schuylkill Township Community in memory of those we have lost to domestic violence."

- This inscription on the plaque for the tree is in English, Spanish, and Portuguese (donated by Jeanne Reith & Tuttle Marketing)

OUR PARTNERS IN THIS PROJECT

The Tree of Hope & Healing project (which included a social media campaign in English, Spanish, and Portuguese leading up to the tree planting ceremony, which was live-streamed) would not have been possible without the support of our partners in planning and outreach:

- Schuylkill Township
- Schuylkill Township Police Department
- Colonial Gardens
- Phoenixville Area School District
- Phoenixville Community Health Foundation
- Senator Katie Muth
- Representative Melissa Shusterman
- Chester County District Attorney, Deb Ryan
- Wellness in Harmony
- Phoenixville Borough

Through our social media outreach campaign, targeted to reach those in the Phoenixville community, which ran for a full week, DVCCC reached an estimated 935 individuals per post and over 1,000 viewers tuned in to watch the planting event live.

The tree is open to the public to visit, enjoy, reflect - and even leave a kindness rock - at the Schuylkill Township Municipal grounds in Phoenixville, PA.

DVCCC plans to continue our partnership with Schuylkill Township and the Schuylkill Township Police Department, annually, to light the Tree of Hope & Healing each October as part of Domestic Violence Awareness Month so it shines all month as a beacon of hope.
