

DVCCC

DOMESTIC VIOLENCE CENTER OF CHESTER COUNTY | ANNUAL REPORT 2022 -2023

The mission of the Domestic Violence Center of Chester County is to reduce, remedy, and prevent domestic violence in Chester County.

DOMESTIC VIOLENCE CENTER OF CHESTER COUNTY

ANNUAL REPORT 2022 - 2023

MISSION

The mission of the Domestic Violence Center of Chester County is to reduce, remedy, and prevent domestic violence in Chester County.

VISION

The vision of the Domestic Violence Center of Chester County is to eliminate Domestic Violence in Chester County.

HISTORY

DVCCC began 45 years ago as the YWCA Women's Resource Center (WRC) to serve as an informational and referral source for Chester County women. In response to the great need for services, WRC reorganized in 1976 as the Domestic Violence Center of Chester County, focusing on domestic violence intervention and prevention. DVCCC is the only organization within Chester County that has a contract with the PA Department of Human Services and PCADV to provide services to victims and their dependent children who present their primary victimization as domestic violence - which includes family and/or relationship violence such as intimate partner violence, dating violence, human trafficking, and elderly family and/or intimate partner violence.

PHILOSOPHY

We believe that all people and children are entitled to a safe environment free from violence. We recognize that every person is at risk, and we are committed to working collectively and cooperatively to end violence against women, men, and children in our community. We believe that each person has the ability and right to control their own life. We are committed to empowerment-based support services which affirm a person's competence to make decisions. We believe we must take an active role in increasing public awareness that domestic violence is a crime and in advocating systems change, in order to reduce tolerance for domestic violence in our community.

A MESSAGE FROM OUR LEADERSHIP

CELEBRATING HOPE & HEALING

‘DVCCC saved me from a horrible situation. Because of all the wonderful people who work at DVCCC, I was able to start a new life, have hope and be happy again. I am forever grateful to you.’

- Anonymous Survivor

Our commitment to survivors is to be a constant source of strong support and to provide programs and services to help facilitate healing, a lifelong process by providing:

- 24-hour hotline which provides rapid crisis intervention.
- Trauma informed care offers survivors a chance to rebuild the connections and trust that were fractured by abuse and betrayal.
- Legal interventions that promote domestic violence offender accountability and help to ensure survivor safety.
- Emergency shelter and other housing programs that prevent homelessness for survivors and children.

While we recognize that we have more to do, we celebrate the progress that has been made to address and end domestic violence and connect with others working to create change:

- We celebrated our 10 -year implementation of the Lethality Assessment Program (LAP), an evidenced based program. The LAP promotes a coordinated community response with law enforcement which connects victims with domestic violence services who are at the highest risk of being killed.
- We celebrated the renewal of a grant to continue for five years the implementation of the Coaching Boys Into Men (CBIM) evidenced based program. The CBIM instructs high school coaches on how to incorporate themes associated with teamwork, integrity, fair play, and gender based respect into their daily practice and routine.
- We celebrated being one of three organizations in the Philadelphia region to receive a \$100,000 unrestricted Impact100 Philadelphia high-impact grant to address our unmet needs.

We celebrate you, our phenomenal partners - individuals, businesses, organizations, volunteers, communities of faith, foundations, private and public funders - for your ongoing generosity, engagement, and care to inspire hope for a violence free community.

Dolly Wideman-Scott

THE WORDS OF A SURVIVOR

When I first stepped into the shelter at the DVCCC, I didn't know what to expect. I was scared, beaten down, in recovery from substance abuse with no desire to fight. I truly believed every negative thing my abuser said. I had lost my voice.

Working with DVCCC, I was given an opportunity to change my life. I began to heal and let go of the past. I was finally free from people who had made me feel my worst.

My growth only continued once I left the shelter and continued with independent housing. I have learned it's never too late to go after your dreams.

**NEVER ALLOW
SOMEONE TO TELL
YOU YOU CAN'T DO
SOMETHING,
BECAUSE YOU CAN.**

I appreciate all the experiences I had, lessons I learned, and support I had throughout this journey and I promise I will steer other lost souls toward the light that is the DVCCC.

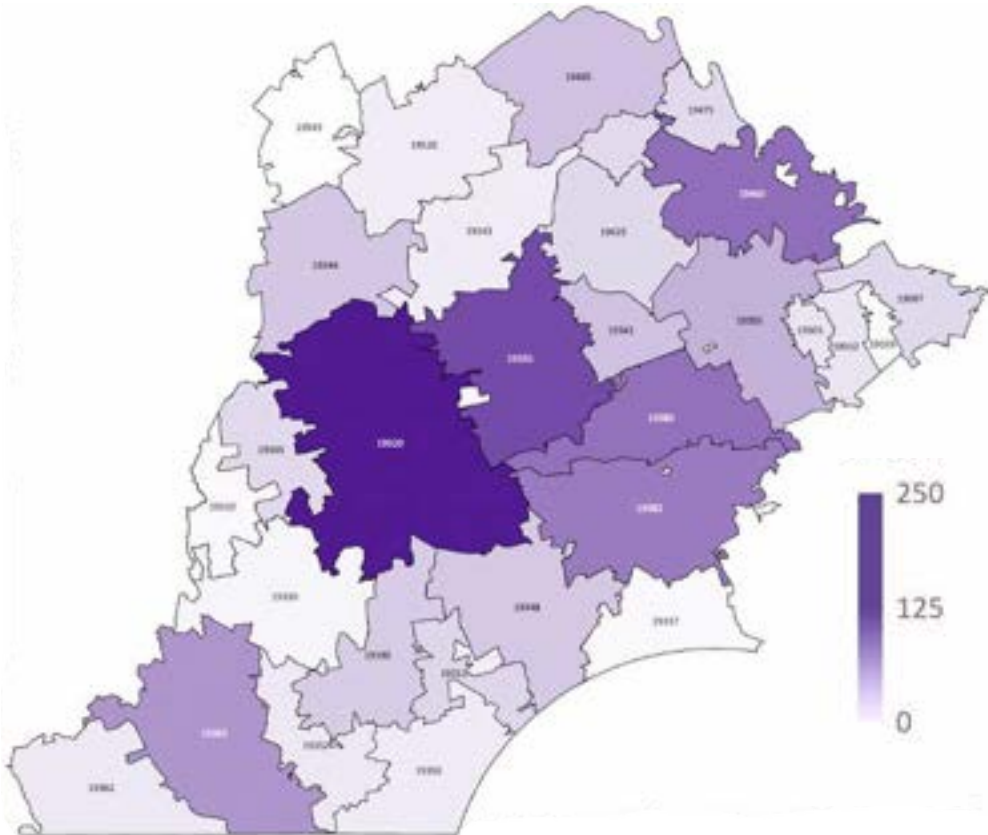

DIRECT SERVICES

HOTLINE, HOUSING, COUNSELING, AND LEGAL DEPARTMENT EFFORTS

DVCCC's Counseling Department is a lifeline, offering 24/7 support through a hotline, in-person, and virtual counseling, including specialized groups. With a licensed therapist and children's counselor, we **facilitated six support groups** and supported **130 families through our Adopt-a-Family Program** in 2022-2023. An ARPA grant allowed us to hire a full-time Case Manager, enhancing services for our Emergency Shelter and Bridge Housing, providing comprehensive care for survivors.

DVCCC's Legal Department consists of three staff attorneys and several legal advocates who are instrumental in providing legal representation and court accompaniment services as well as legal advice and advocacy. In 2022-2023, **our attorneys represented over 450 clients in PFA court.** The legal team, supported hundreds of additional clients - through hotlines and in-person meetings - in accessing and navigating essential legal support. The collaboration between the legal and counseling departments strengthens our ability to address the diverse needs of our survivors, effectively.

DVCCC TEAM MEMBERS ANSWERED 2,871 HOTLINE CALLS THIS YEAR

Photo (from top): DVCCC staff & board members Light the Night for Hope & Healing in Coatesville for Domestic Violence Awareness Month. DVCCC's service provision is outlined in our annual heat map. Photo (page 1): DVCCC team and board members Light the Night for Hope & Healing in West Chester for Domestic Violence Awareness Month,

1,726 ADULTS & CHILDREN RECEIVED COUNSELING & LEGAL SERVICES IN 2022-2023

DVCCC's Housing Department is a vital resource, providing emergency and transitional shelter along with independent housing options. With access to on-site counseling and case management, our housing programs empower survivors to transition from crisis to stability, promoting self-sufficiency and fostering a sense of security. DVCCC's dedication to secure housing lays a solid foundation for survivors to rebuild their lives and move forward with confidence.

73 FAMILIES ACCESSED SAFE HOUSING THROUGH ONE OF DVCCC'S PROGRAMS THIS YEAR.

Photos (left from top): The Fund for Women & Girls' Girls' Advisory Board (GAB) visits DVCCC. Staff leadership attends Impact100's grant recipient event. Volunteers and donors give back during Adopt-a-Family's holiday giving program. DVCCC staff and board celebrate the holidays with a dinner for our survivors. Photo (above): Dr. Dolly Wideman-Scott accepts a grant award from GAB.

OUTREACH & EDUCATION

COMMUNITY MOBILIZATION
FOR THE PURPOSE OF
PREVENTION

DVCCC REACHED OVER 1,800 ADULTS AND ATTENDED 28 COMMUNITY-WIDE EVENTS

DVCCC's adult education efforts included tailored training for institutions like Chester County's Health Department, Department of Children, Youth and Families, and Domestic Relations, monthly programming for residents at Gaudenzia's KindredHouse, and collaborations with the Chester County Library System and the West Chester University Honors College.

During Domestic Violence Awareness Month, DVCCC executed impactful grassroots outreach initiatives, including our "Paint the Town Purple" tradition across 11 communities and organizing the first, synchronous, countywide Light the Night for Hope & Healing event in four locations. Notable partnerships for awareness month continued with local coffee shops, police departments, the Brandywine Valley SPCA, and the Chester County Library System.

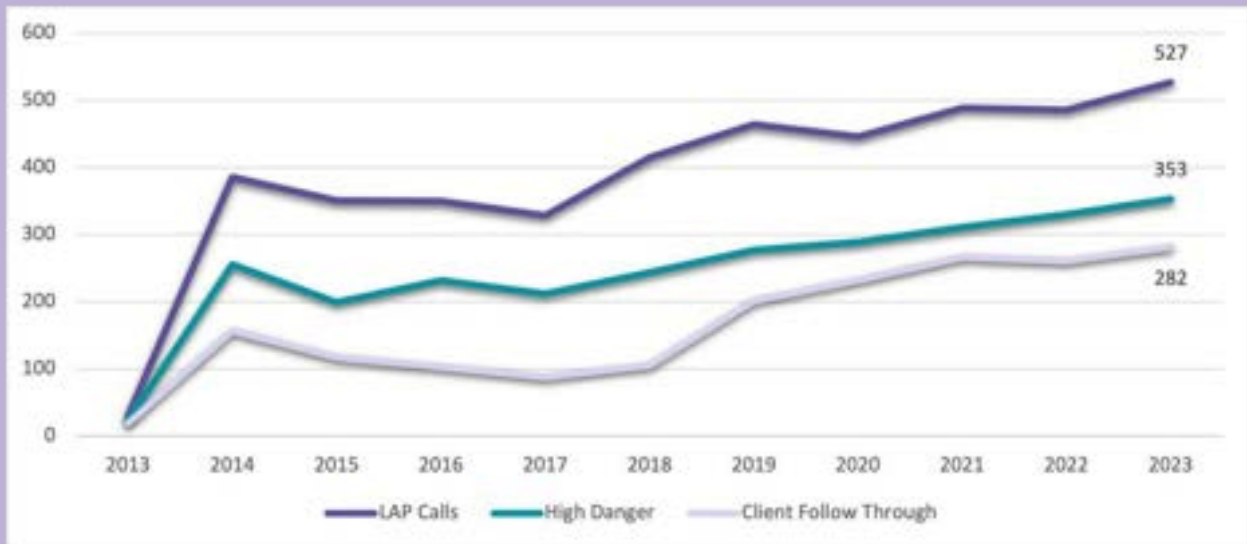

Photo (above): DVCCC staff, board members, and community partners "paint Coatesville purple" with ribbons for Domestic Violence Awareness Month. Photos (right from top): Linette Leister and the Phoenixville Women's White Horse Rugby Club "paint Phoenixville purple" with ribbons for Domestic Violence Awareness Month. DVCCC education staff & the Coatesville Area Senior High (CASH) School SADD club provide educational programming for students at CASH.

Photo (above): DVCCC's Lethality Assessment Program (LAP) Team celebrated a decade of successful implementation in Chester County with representatives from PCADV, over 20 police departments, and our District Attorney's Office in attendance.

A DECADE OF THE LAP PROGRAM

DVCCC's evidence-based Lethality Assessment (LAP) Program involved local law enforcement using the LAP tool on-site to assess the danger level for domestic violence victims. Immediate connections to DVCCC's hotline were made in cases of increased risk for homicide, ensuring vital support and intervention. DVCCC received a record 527 LAP screens – an over 8% increase from 21-22 and of those calls, a startling 67% screened as in high-danger for homicide.

OVER 79.8% OF CALLERS IN HIGH DANGER MOVED FORWARD WITH DVCCC'S LIFESAVING SERVICES.

DVCCC's Coaching Boys Into Men (CBIM) and Coaching Girls Beyond the Game (CGBG) programs thrived with the addition of Noah, our new program coordinator and this, in addition to our partnership with the Phoenixville Area School District, facilitated significant post-pandemic program regrowth, and the securing of CDC funding which ensures the continuation of these impactful programs for five additional years! Following the season, CBIM athletes were 28% better at identifying abusive behaviors and between 33 - 56% of CGBG participating athletes reported feeling much more comfortable standing up to, helping a friend who may be experiencing, and seeking help for abuse.

DVCCC REACHED OVER 2,750 TEENS WITH PROGRAMMING

Additionally, DVCCC's internally-developed teen dating violence education program - which helps teens identify unhealthy and abusive relationship behaviors - reached a record number of teens in schools and community youth-serving organizations. Recognizing the increased demand for these youth programs, in both English and Spanish, DVCCC staff began actively seeking funding to find a dedicated full-time staff member in 2023-2024 to further grow and enhance this impactful initiative.

Photos (left from top): DVCCC education team members attend Chester County PrideFest. The DVCCC education team again partnered with the Chester County Office of Mental Health/Intellectual & Developmental Disabilities ID Supports Program team to provide educational programming for adults with intellectual and developmental disabilities. DVCCC's Director of Education Programs, Amelia Rayburn-Pizzica, was named one of VISTA Today's 40 Superstars Under 40 for her outreach work. Phoenixville Area High School's Varsity Football Team celebrates completing a season of Coaching Boys Into Men.

*To our extremely generous
 In-Kind Donors*

Please accept our heartfelt
 gratitude for the many gifts you
 have given to survivors of
 domestic violence and their
 families. You have lovingly
 provided them with gifts that
 offer them comfort, practical
 assistance, and a sense of
 community as they navigate
 their journey. DVCCC is grateful
 and honored for your support.
 Your generosity inspires them
 with Hope and Healing!
